(Registration: 15:30~)

VENUE

[KCAB Hearing Room No.5](#)
(18F Trade Tower, 511 Yeongdong-daero,
Gangnam-gu, Seoul)

What are the risks and opportunities for private equity stakeholders in resolving disputes through international arbitration? How can investors best position themselves to assert and enforce their rights effectively and efficiently? In this seminar, jointly hosted by Kim & Chang and Debevoise & Plimpton, the panel will explore:

- Claims against states under investment treaties
- Disputes between general partners, limited partners, managers and co-investors
- Disputes relating to the acquisition and disposal of investments

Please join us in this conversation during the Seoul ADR Festival 2024.

The seminar will be conducted in English. If you would like to register, please kindly RSVP through the registration link below. Thank you.
